Small Donations - under \$500: \$10,022

On behalf of everyone at Starfish Foundation, I extend our heartfelt gratitude for your generous support. Thanks to your incredible contributions, we have raised an astounding total of \$71,562. through a combination of event donations (\$8,290), large donations (\$53,250), and small donations (\$10,022).

The above donations include designated funds for Healing Warrior Hearts and Taking It Lightly scholarships as well as donations designated for the administrative expenses of the Foundation.

Your generosity enables us to continue our mission of assisting emotional trauma survivors in releasing their grief, rage, and shame, and allow joy, productivity and prosperity back into their and their families' lives.

We are truly inspired by the kindness and commitment of donors like you, who make our work possible. With your support, we have been able to look at ways of expanding our programs by providing additional allocations to support the retreats.

Once again, thank you for your trust and investment in our cause. We look forward to keeping you updated on the impact your donations are making in the lives of those we serve. Please don't hesitate to reach out if you have any questions or would like to learn more about our upcoming programs.
